Hoppe's Elite Gun Oil Now Available in 2- And 4-Ounce Spray Bottles

Overland Park, KS — Hoppe's Elite Gun Oil is now available in convenient 2- and 4-ounce spray bottles. The Elite Gun Oil is an integral part of the Elite gun cleaning system. The oil is formulated to eliminate puddling in the bore, and its super slick technology creates a micro-fine layer of oil that disperses in a thin coat providing longer lasting protection from rust and corrosion.

When used with the Elite Gun Cleaner, Bore Gel or Foaming Gun Cleaner, it will ensure that your bore and barrel are clean, free of accuracy robbing deposits and protected from the elements.

Hoppe's Products are now part of the Bushnell Outdoor Accessories. For more information visit www.bushnell.com.

—More—
