### **Hoppe's No. 9 Commemorative Tin is the Perfect Gift**

**Overland Park, Kan.** - The smell of Hoppe's No. 9 brings back fond memories like the way the smell of fresh baked bread takes you back to your grandmother's house. The distinct smell of No. 9 sparks the thoughts of a shooter or hunter back to their first days of enjoying the outdoors with a firearm and then spending an evening cleaning the gun.

A new Commemorative Tin from Hoppe's includes everything a firearms owner needs to clean their favorite gun. The scene on the front of the tin depicts a hunting camp from long ago and reminds many hunters of their first hunting camp.

Cleaning products in the tin include Hoppe's No. 9 solvent, lubricating oil and patches. There is a three piece brass rod and five phosphor bronze bushes to fit .22 to .30 caliber rifles, .38 caliber pistols and 20 and 12 gauge shotguns. A Hoppe's Guide to Gun Care and a silicone cleaning cloth complete the kit.
